

MISSING

Photo Source: <http://birdcollectingblog.blogspot.com/2010/04/world-of-red-winged-blackbirds.html>

HAVE YOU SEEN THIS BIRD?

Mr. Red Winged Black Bird

Age: ? Length: 6" Weight: 4 ounces
Last seen nesting near Greenlake in June, 2008

What you can do:

1. Contact the Friends of Green Lake to help restore nesting habitat. Email: friendsofGL@gmail.com
2. Keep your dog on a leash & out of the water.
3. Avoid accessing the lake in areas with tall plants.

NEEDS NESTING HABITAT
