

COMING TO GREEN LAKE

TAIGA WETLANDS

FLOATING ECOSYSTEM DEMONSTRATION PROJECT!

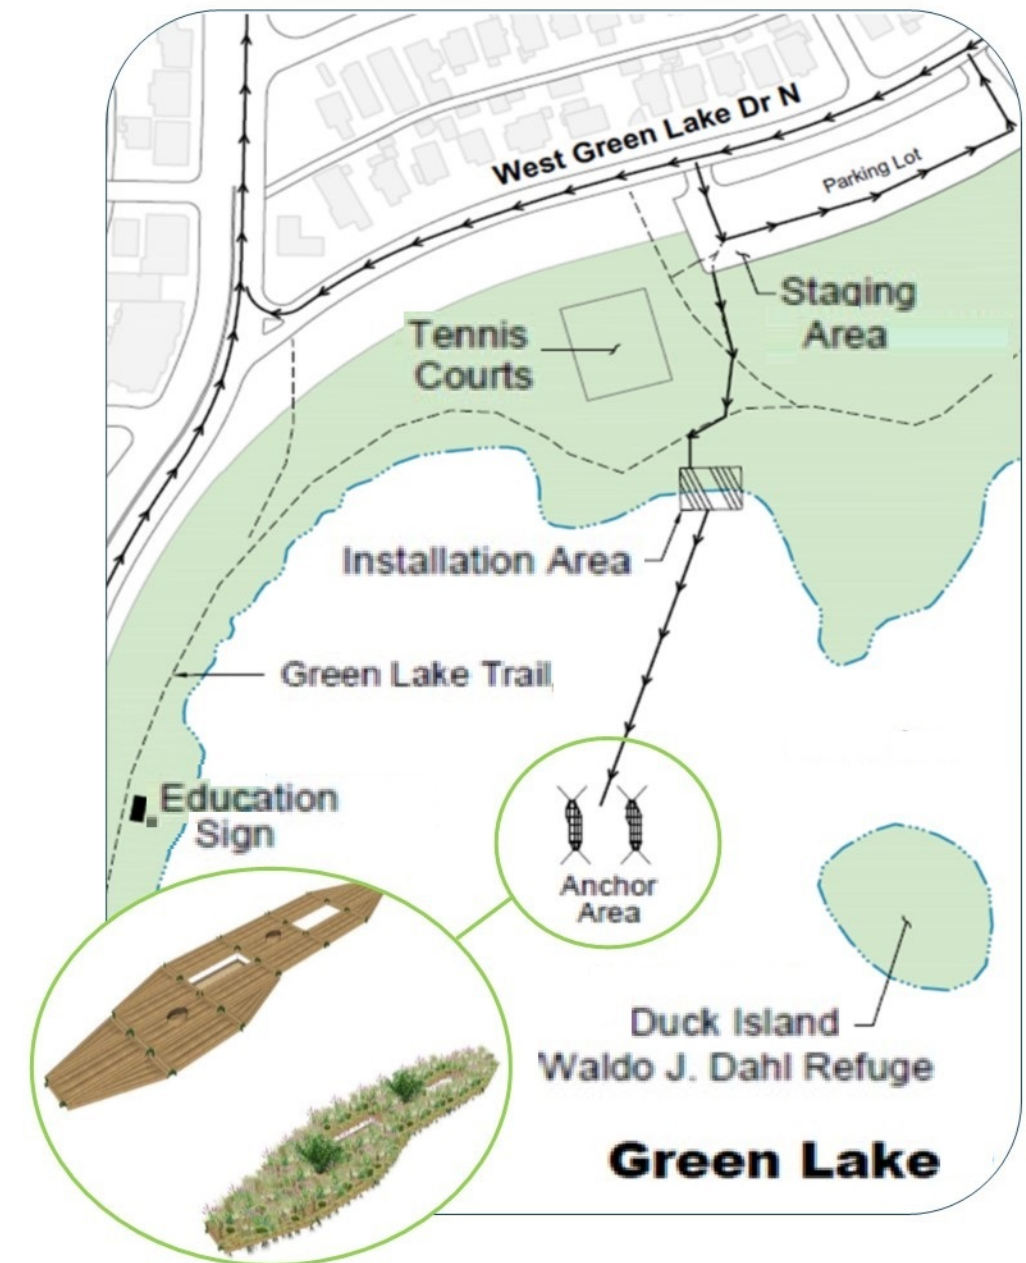

Memorial Day Weekend
May 28 & 29, 2022

Built by
Biomatrix Water
and funded by the generosity of
Seattle Neighborhoods
and **Individual Donors**

Designed, installed and maintained by
Friends of Green Lake (FOGL)
to provide native plant habitat for birds
and wildlife, and underwater biofilm for
nutrient uptake and fish habitat.

friendsofgreenlake.org

FRIENDS OF GREEN LAKE (FOGL)

is seeking contributions to raise an **additional \$10,000**
for materials and future monitoring.

Help support our efforts with a tax deductible donation!
